INTERVENTIONAL
PAIN SOLUTIONS
Restorative Spine & Joint Care

Dear Sir or Madam,

We are pleased to have you as a patient at Ashford Interventional Pain Solutions. Our clinic is an interventional pain management clinic that utilizes many modalities in the treatment of chronic pain including medications, massage therapy, epidurals, a variety of nerve block procedures, as well as more advanced techniques such as implantable devices. We also have the means for referrals to neurosurgeons, orthopedic surgeons, neurologists, psychologists, and physical therapists.

On your visit, we will perform a thorough medical history and physical examination so that we may formulate an appropriate treatment plan for your specific pain problems. Some treatment plans require approval from your insurance company. Please note that this process can take several weeks to complete. We appreciate your patience and cooperation during this time.

The primary goal of our clinic is to help reduce or eliminate your pain so that you may comfortably perform routine daily activities and live a more normal life. An effective pain management strategy often requires several treatment modalities (nerve blocks, medications, massage therapy, physical therapy, etc.), but your help and motivation are essential in order for your treatment plan to be successful. Failure to comply with the advised treatment plan given to you by Dr. Ashford may result in discharge from our clinic.

Please note that we are not a walk-in clinic and you will not be seen without an appointment. If you must cancel or reschedule an appointment, please call our office 24 hours in advance of your scheduled appointment. Failure to do so will result in a no-show fee up to or equal to the fee of the scheduled visit. This fee may be anywhere from $50 to $150. Our time is valuable and other patients can be seen in your time slot if we have proper notice. You may be dismissed and no further appointments given if you fail to show for a scheduled appointment more than two times without reasonable cause. This decision will be made at the doctor's discretion.

We ask that you bring all of your prescribed medications or a list of all medications with you to your appointment. Please note that we will not call in medications to your pharmacy. All medications must be requested at your scheduled appointment. There will be a $10.00 charge for any prescriptions that are requested between your scheduled appointments.

Your pharmacy's name, address, and telephone number is required at your initial consultation. No prescriptions will be written until this information is provided. If you change pharmacies, doctors, or insurance, it is your responsibility to notify our office staff. Failure to comply may result in a delay of treatment.

Thank you,
Ashford Interventional Pain Solutions

ASHFORD INTERVENTIONAL PAIN SOLUTIONS
PATIENT PAYMENT POLICY

Ashford Interventional Pain Solutions strives to ensure a clear understanding of your financial responsibility with respect to the medical services we provide. These policies apply to all procedures and dates of service.

Co-Pays: We require payment of co-pays at the time of service, and reserve the right to refuse treatment.
No Insurance: If you have no insurance, we collect the office visit before the visit and the remainder at checkout. Self-pay patients may receive additional bill for services rendered.
Payments: Your insurance company will determine what amount, if any, you owe to Ashford Interventional Pain Solutions. Please be aware that some (and perhaps all) of the services you receive may be non-covered or not considered reasonable or necessary by Medicare or other insurers. If there is a balance due to your account, we will mail a detailed statement which is due upon receipt. Do not assume that any statement you receive will be paid by your insurance company. For your convenience, we accept cash, money orders, Visa, MasterCard, American Express, and Discover. If a check is returned for insufficient funds, we reserve the right to add a penalty charge of $45.00 to your account.
Outstanding Account Balances: Any patient with an outstanding balance will be required to pay that balance in full before being authorized to see your doctor. Failure to comply will result in cancellation of your scheduled appointment.
Claim Filing: We happily file your claim with your insurance company as a courtesy. We bill insurance in accordance with all federal, state, and other contractual requirements in cases where we have an agreement or we are a participating provider. Please keep in mind that payment remains your responsibility. We are happy to help aid to get your claims paid, but from time to time your insurance company may need you to supply certain information directly. We expect payment in full from you if your insurance company delays processing of your claim for over 90 days. You agree to pay any portion of the charges not covered by insurance. If your insurance company sends payments directly to you, send or drop-off the payment to Ashford Interventional Pain Solutions, and we will apply it to your account.
Preauthorization: Most insurance companies require preauthorization before you have a surgical procedure. Failure to obtain preauthorization may result in your insurance company refusing to pay your claim. Any refusal of payment by insurance for this reason is your responsibility.
Dependents: You are responsible for payment of services rendered to your dependents on your account. In cases where a written court order allows payment for medical costs associated with a dependent, it is the responsibility of you to obtain reimbursement from the other party involved.

Attestation Statement:
I have read, understand, and agree to the above Ashford Interventional Pain Solutions Payment Policy. I understand that charges not covered b my insurance company, as well as applicable copayments and deductibles, are my responsibility. I acknowledge that these policies do not obligate Ashford Interventional Pain Solutions to extend credit.

I authorize my insurance benefits to be paid directly to Ashford Interventional Pain Solutions.

I authorize Ashford Interventional Pain Solutions to release pertinent medical information to my insurance company when requested, or to facilitate payment of a claim in compliance with HIPAA regulations.
